ABIA Multi Award Winning Professional Dove Release.

Pure White Doves are a powerful symbol of
Peace, Love and a New Beginning.

Very symbolic for a wedding!

Doves stay together for a long life.

After you release them,

they will return together to their home.

A pair of doves are delivered to your venue and set up in a beautiful hand crafted cage.

A very experienced handler will be present to co-ordinate with your Civil Celebrant or Minister and Photographer to assist you with the release.

We offer a meaningful reading.

I would like to assure you that our birds are safe. Our multi awards winning Pure White Rock Doves (Columba Livia) are thoroughly trained to ensure they fly home safely. We will not release them in severe weather conditions eg. strong wind, rain or extreme heat. We are equally committed to providing the highest level of service with individuality and care.
